Dear Property Owner:

Congratulations! Our records show you recently purchased a property in one of the nation's best places to live -- Hillsborough County!

Our office's primary goal is to serve the citizens of this county with fair and equitable assessments of all properties within our jurisdiction. To do that, we need the most accurate and recent property sales data possible. And with just a few moments of your time, you can help us reach that goal by filling out our brief questionnaire contained on the reverse side of this letter.

So please don't delay. Help yourself and your community!

\* Please complete the questionnaire and return it by mail using the enclosed, self-addressed envelope. If you prefer, you can return the questionnaire by fax to our Valuation Department at (813) 307-4448.

\* If the property you just purchased is your primary residence, **make sure you have filed for Homestead Exemption.** This exemption can save you hundreds of dollars and limit future increases of your property value! You can file for Homestead Exemption online at [hcpafl.org](http://hcpafl.org) or submit the forms in person at one of our offices. **The deadline to file for Homestead Exemption is March 1.**

\* Visit our web site at [hcpafl.org](http://hcpafl.org), search our records data base and make sure we have accurate information regarding your property.

If you have questions regarding this letter or need help with filing your Homestead Exemption, please do not hesitate to call our office at (813) 272-6100. We're here for you!
